The collection of information is required by 34 CFR 106.116. The individual is responsible for the accuracy and completeness of the information provided.

The collection of information is required by 37 CFR 1.16. The information is used to obtain a benefit for the inventor due to the law by the USPTO to process an application expeditiously as provided by 37 CFR 1.12 and 37 CFR 1.14. This collection of information is used to complete the following: gathering, preparing, and submitting the completed application form to the USPTO. The information is used to determine the amount of time you or your licensee will need to develop the benefit of the invention. The information is used to determine the filing date of the application and the effective filing date of the application.
